

## Southwark Park Pavilion

Southwark, London

### Client

London Borough of Southwark

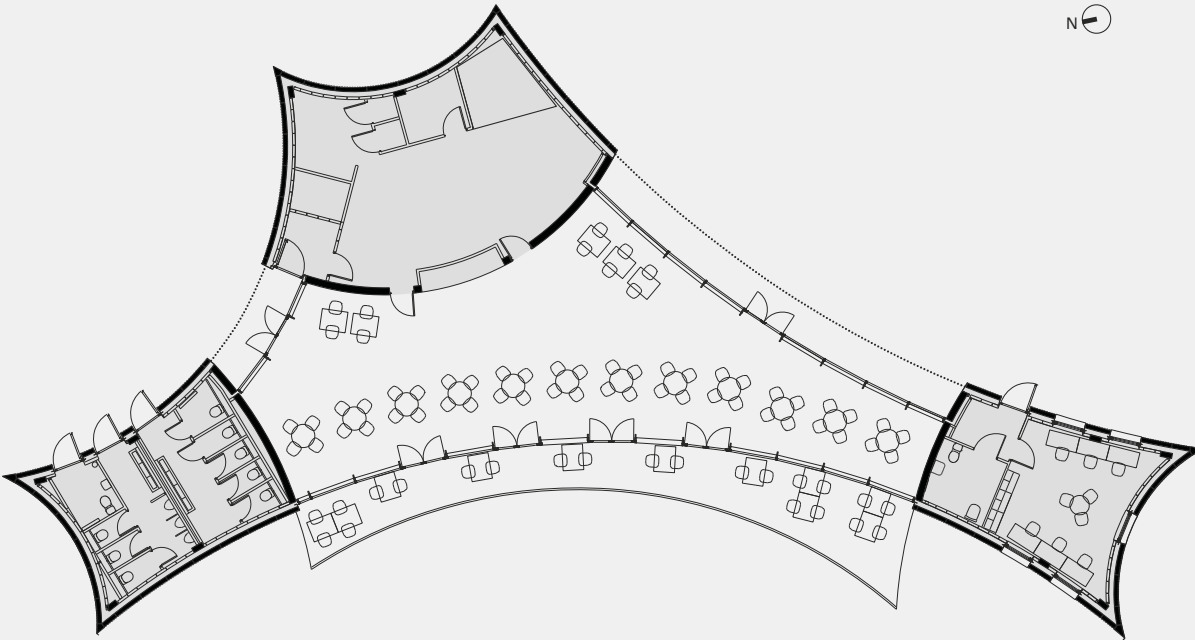

### Project Cost

Undisclosed

### Status

Complete

The pavilion accommodates a park office, public WC's and a cafe overlooking the adjacent boating lake. The building's form results from a series of intersecting arcs of white brickwork that relate to the boating lake, playing fields and children's playground respectively. The pavilion is part of a larger masterplan for the park by Kinnear Landscape Architects.
