

## Ealing Housing

Multiple Sites, Ealing

### Client

London Borough of Ealing

### Project Cost

Undisclosed

### Status

Planning consent granted

Planning consent has been granted for 134 mixed-tenure homes across six redundant and underused brownfield sites in Ealing for Ealing Council.

The six developments, of varying types and scales, will include 70% affordable homes with 73 at London Affordable Rents.

The homes have been designed to Passivhaus standards to reduce energy consumption, address fuel poverty and meet Ealing Council's commitment to deliver net zero carbon homes.
